CHILD DEDICATION

March 25 at 10:15am service

Parent-Child Dedication is a special event at Stewartsville Baptist Church. This special time of commitment is for parents to dedicate their child to the loving care and keeping of the Lord. In so doing, they are committing themselves to the maintenance of a Christian home where Christ is the center of that home, and the Word of God is part of their daily lives. They are actually dedicating themselves to raise their baby for the Lord. If you would like to be a participant in the upcoming dedication service, you can register by calling the church at 277-0077. Invite your relatives, loved ones, and special friends to share in this memorable event of your family's life.

March Madness

Every March the top college basketball teams in the country begin their journey to win the National Championship and be crowned the best team in the nation. In order to accomplish this goal teams take their intensity and focus to a new level of determination and dedication. This is appropriately called "March Madness". This March our church is embarking on our own version of "March Madness". However, instead of seeking a crown that is worldly and temporary we are seeking a crown that has eternal rewards. Our goal is for our church to impact our community and the world by each member developing a renewed focus and desire to grow in their relationship with Jesus Christ. This time of spiritual renewal and fellowship will take place during the evening worship services in March. We will start our evening service with a time of corporate praise and worship. This will be followed by a time of small group bible study sessions. There will be several different topics offered each week for participants to choose from.

Our prayer is that each person will take advantage of this unique opportunity to grow in Christ, fellowship with other believers, and plant the seeds of revival in our hearts and community. Please make every attempt to attend and to encourage others to participate as well. What a blessing it would be to see our building filled with groups of believers intensely studying God's Word and worshipping our Savior with joyous praise! This would give true meaning to the term "**MARCH MADNESS**".
